Quail Creek Golf Club at Coastal Carolina University is home of the Chanticleers and will serve as the host facility for the Chanticleer Junior Camp. Quail Creek is a par 72 golf course designed in 1968 by Gene Hamm and is now operated by the CCU’s Professional Golf Management program and its grounds maintained by Horry Georgetown Technical College. Our clubhouse has a fully stocked golf shop with officially licensed Chanticleer apparel and a grill with a wide variety of breakfast and lunch selections.

Quail Creek’s practice facility offers an all grass teeing area, bunker, and a 3,000 square foot putting green to warm you up before your round. We have an excellent tournament schedule and specialize in corporate and charity outings no matter the size. We would like to personally invite you to be our guest for the day.

The Chanticleer Junior Camp has a goal to bring excitement to all skill levels while offering top rate instruction. We aim to educate and improve the knowledge of the student on a wide variety of areas.

Our curriculum of the golf school will involve fun and exciting activities. The activities will include the use of all practice facilities at Quail Creek Golf Club. We will have on course practice scenarios pertaining to course management and detailed rules explanations.

At the conclusion of the school each student will improve in their physical and mental aspects of the game.

Proper golf attire will be required at all times while on the Quail Creek Golf Club facilities. Proper golf attire includes a collared golf shirt, khaki shorts or pants, and non-metal spiked golf shoes. Denim clothing and athletic clothing is prohibited. Students who are not wearing golf shoes may wear tennis shoes. Please know that baseball or soccer style cleats will not be permitted. Due to the exposure of direct sunlight we suggest each student bring suntan lotion for their own protection. We will have frequent hydration breaks because of the excessive heat during the summer months.
