Applying for Repeat Forgiveness via WebAdvisor

What is Repeat Forgiveness?
Students may elect to exercise a “repeat forgiveness” option for up to 13 undergraduate credits during their enrollment at Coastal Carolina University for courses taken at Coastal Carolina University. For credits taken under this option, Coastal Carolina University will exclude the grade and credit hours earned for the first enrollment in the course when calculating the student’s cumulative GPA and earned credit hours. Both grades will appear on the transcript. Only course grades of C, D, D+, F, or WF are eligible for “repeat forgiveness.” A student may not exercise the “repeat forgiveness” option for courses in which the student was assigned a grade as a result of academic misconduct. Students selecting the “repeat forgiveness” option should be aware that professional schools, graduate programs, and future employers may apply their own criteria that may not recognize a “repeat forgiveness” option in evaluating credentials for prospective students and employees. Repeat forgiveness is processed after the “W” period for a given term.

How to apply for repeat forgiveness during the registration process

To apply for repeat forgiveness during the registration process, simply click on the link at the top of the Registration Results link. This will bring you to the Repeat Forgiveness form.

Once in the Repeat Forgiveness form you will have the option to either select or deselect any courses in which you are currently enrolled that are repeats of courses you have previously taken. The course you are selecting is the instance you wish to replace. This will also be your most recent attempt. By clicking the box (adding a check mark) you are electing to replace that instance of that course with the course you are taking now. If you wish to cancel a previous selection you may do so via this form by simply un-checking the box. Bear in mind, this ability is only available prior to Repeat Forgiveness processing. Processing begins on the 1st day of the “WF” period and once processing begins all selections are final.

The Repeat Forgiveness form also displays the total amount of forgiveness you have used to this point, including any selections you have made for this term.
