

Applying for Repeat Forgiveness via WebAdvisor

What is Repeat Forgiveness?

Students may elect to exercise a “repeat forgiveness” option for up to 13 undergraduate credits during their enrollment at Coastal Carolina University for courses taken at Coastal Carolina University. For credits taken under this option, Coastal Carolina University will exclude the grade and credit hours earned for the first enrollment in the course when calculating the student’s cumulative GPA and earned credit hours. Both grades will appear on the transcript. Only course grades of **C**, **D**, **D+**, **F**, or **WF** are eligible for “repeat forgiveness.” A student may not exercise the “repeat forgiveness” option for courses in which the student was assigned a grade as a result of academic misconduct. Students selecting the “repeat forgiveness” option should be aware that professional schools, graduate programs, and future employers may apply their own criteria that may not recognize a “repeat forgiveness” option in evaluating credentials for prospective students and employees. Repeat forgiveness is processed after the “W” period for a given term.
