

# Program Evaluation - Information

Program Evaluation offers the ability to monitor your academic progress towards your degree requirements. It also enables you to see how much of your current academic record would apply to a prospective program in a "what if" scenario.

## How to use Program Evaluation

- Open a web browser and type [webadvisor.coastal.edu](http://webadvisor.coastal.edu) in the address bar.
- From the WebAdvisor main page menu select "WebAdvisor for Students".
- Select "Program Evaluation". Login using your UserName / PIN.
- Select either Active Program or a "What if" Program.
- If you select a "What if" program, you will be prompted to select a catalog year. Select the catalog year that you want to go by for the program.
- You may print a copy of your Program Evaluation.

## Program Evaluation Report

The report is separated into the following groups - Core Curriculum, Major Requirement, Foundation, Cognate and Electives.

### Program Evaluation Symbols and Letters

Status Codes placed on the left side of the margin next to the requirements:

W - Waived, C - Complete, I - In progress, N - Not started, P - Pending completion

(\*) Anticipates completion of in-progress courses

Status Codes placed on the right side of the course:

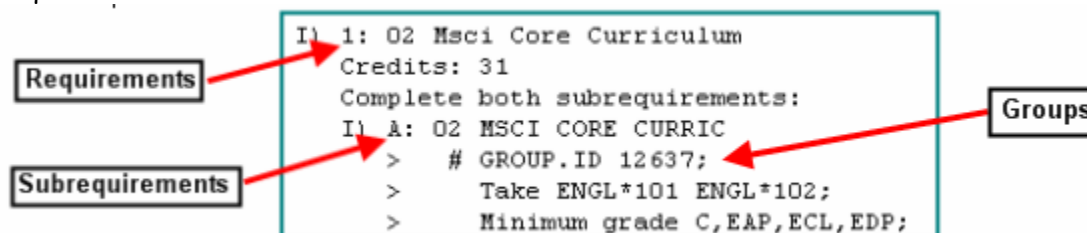

\*E - Extra, \*NU - Not used, \*PR - Preregistered, \*U - Used, \*X - Extra

### Samples of Program Evaluation

- Program Statistics for the program of study chosen will be shown; what is required, what you have currently earned and the remaining courses needed for the requirements to fulfill the degree.

Program Status: In Progress						
	Required	Current..... Earned	Remaining	Anticipated(*)..... Additional	Remaining
