SUMMARY:
Students who are placed on academic advisory, as defined in the Coastal Carolina University Catalog, must complete the requirements set forth by their academic college. Modifications to college specific policies must be approved by the Academic Affairs Committee, Faculty Senate and the Provost.

POLICY:

I. POLICY
Students who are placed on academic advisory, as defined in the Coastal Carolina University Catalog, must complete the requirements set forth by their academic college. Students who do not complete these requirements in the semester in which they are assigned will be retained on academic advisory, regardless of their earned semester and cumulative GPAs. College-specific policies are developed by the Office of the Dean of each academic college. Modifications to college specific policies must be approved by the Academic Affairs Committee, Faculty Senate and the provost.

A. Wall College of Business
   Business students, including all business pre-majors and undeclared business majors, who are placed on academic advisory must complete the following requirements:
   1. Meet with their academic advisor twice during the course of the semester – once during the first three weeks of the semester and once more before they register for classes for the following academic term
   2. Attend a Student Success Workshop within the first 3 weeks of the semester. Meet with the Director of Student Success following the Student Success workshop to create an academic and career action plan to include appropriate tutoring and academic resource use as well as discuss appropriate Professional Development Activities.
B. Spadoni College of Education and Social Sciences  
Education and Social Science students, including all pre-majors and undeclared majors, who are placed on academic advisory must complete the following requirements:
   1. Meet with their academic advisor twice during the course of the semester – once during the first three weeks of the semester and once more before they register for classes for the following academic term.
   2. Attend a Student Success Workshop within the first 3 weeks of the semester. Meet with the Director of Student Success following the Student Success workshop to create an academic and career action plan. The plan will include appropriate tutoring and use of academic resources as well as recommendations for appropriate Professional Development Activities.

C. Edwards College of Humanities and Fine Arts  
All students in the College of Humanities and Fine Arts on academic advisory, regardless of credit hours earned, must attend the Dean’s Academic Seminar must meet the following requirements:
   1. Meet with their academic advisor once per semester at midterm/registration.
   2. Attend one student success event with the Director of Student Success in the Edwards College of Humanities and Fine Arts.
   3. Strongly encouraged to complete HFA 133 Mindset for Academic Success.

D. Gupta College of Science  
Regardless of credits earned, all students in the Gupta College of Science who are on academic advisory must
   1. Complete an Academic Success Workshop or attend the Dean’s Academic Success Seminar,
   2. Meet with their academic advisor at least once during the semester, and
   3. Meet with the Director of Student Success & Persistence at least once each semester until they are no longer on academic advisory.

Additionally, students on academic advisory are encouraged to enroll in UNIV 105S: Academic Improvement Hour. This zero-credit course is designed to assist students with improving their academic performance through effective goal setting and the creation of a definitive action plan.

E. HTC Honors College  
All students in HTC Honors College who are on academic advisory must attend the Dean’s Academic Success Seminar and meet with an academic success advisor within the Advising Center at least twice each semester until they are no longer on academic advisory.
