POLICY:

I. Policy

Students with fewer than 30 credit hours who are placed on freshman academic notice , academic advisory, or academic probation, as defined in the Coastal Carolina University Catalog, must complete the requirements set forth in this policy in addition to the requirements that are listed in the Coastal Carolina University Catalog. Failure to complete these requirements in the semester in which they are assigned could result in a student remaining on academic notice, academic advisory, or academic probation. Policies for students with fewer than 30 credit hours are developed by the Coastal Student Success Center. Modifications to these policies must be approved by the Academic Affairs Committee, Faculty Senate, and the provost.

A. Freshman Academic Notice

Students on freshman academic notice are required to:

1. Meet with an assigned academic coaching specialist at least four times during any semester they are on freshman academic notice.

B. Academic Advisory

Students with fewer than 30 credits hours on academic advisory are required to:

1. Meet with an assigned academic coaching specialist at least two times during any semester they are on academic advisory.

C. Academic Probation

Students with fewer than 30 credits hours who are on academic probation are required to:

1. Enroll in no more than 16 credit hours per semester. (Students who pre-registered for more than 16 credits must drop to 16 credits. Should the student fail to drop to 16 credits, the University may adjust the student's course schedule to 16 credits.)
2. Enroll in and successfully complete a designated section of ACED-101, or ACED-102 if previously completed ACED-101* successfully.
3. Meet with an assigned academic coaching specialist at least four times during any semester they are on academic probation.

If a student has successfully completed both ACED-101 and ACED-102, they would then only be required to meet with an assigned academic coaching specialist at least **six times during any semester they are on freshman academic alert, academic advisory, or academic probation.*
