

# Major Research Worksheet

Researching majors of interest prior to declaring or solidifying a major can help you make a more informed decision that will better align with your interests and career goals. Things to consider when researching potential majors should include **major description, required courses, and career opportunities**. To get started, review the following websites and complete the sections below.

- CCU Undergraduate Programs/Majors : [www.coastal.edu/academics/academicprograms](http://www.coastal.edu/academics/academicprograms)
- CCU University Catalog: <http://www.coastal.edu/academics/universitycatalogs>
- What Can I do With This Major?: [whatcanidowiththismajor.com/major/majors/](http://whatcanidowiththismajor.com/major/majors/)
