Navigating AwardSpring: A Guide for Applicants

The purpose of this guide is to walk you through the process of applying for scholarships using the AwardSpring platform.

Start by navigating to your organization’s AwardSpring site. The URL will be provided to you by your organization’s administrator.

You will land at the login page. (Please note that this page is customizable so your organization’s login page may look different than the below example.)

In the left menu bar, both Scholarships and Donors are clickable buttons.
Scholarships will show you a list of all scholarships that are being offered by your organization along with their respective award amounts (if known) and deadlines.

**Success Kid**

**The Internet**

Success Kid, sometimes known as I Hate Sandcastles, is a reaction image of a baby at a beach with a smug facial expression. It has been used in image macros to designate either success or frustration. In early 2011, the original image was turned into an advice animal style image macro with captions describing a situation that goes better than expected.

TO LOG IN:

**Sign In:** You already have an account. Enter your email address and password and click the yellow Sign In button.

**Register:** You do not have an account. You will be directed to a registration page. Enter all of the required information, click the agreement box, and click the Create Account button.
After login/registration, you will be directed to your Dashboard. Important information about your application status and additional instructions will be displayed for you here.

Click the **Start Application** button to begin filling out your application.

There are several tabs that make up the entire application. Complete all of them in order to submit your application.
You may see an embedded External Request form that requests information from a third party (ie a letter of recommendation from an instructor). This tool allows you to send a request for a letter of recommendation via email. The application may contain more than one External Request form.
Complete the required information and click the **Send Request** button. The third party will receive an email request and provide the requested information directly in AwardSpring.

The request will sit in a pending state until it is completed by the recommender.
Completing all tabs of your application will enable the **Submit Application** button in the lower right corner. Click it to submit your application.

You will be directed back to your Dashboard. View applied scholarships by clicking on the scholarships tab.
Click **Dashboard** to return to your Dashboard to view additional information or take further action.

You may be eligible for additional scholarships that require additional information. The Dashboard will prompt you to provide this. In this example, the applicant qualifies for the Academic scholarship, but additional follow-up information is required to apply for them. The applicant needs to click the Complete Follow-Up button to provide the required responses and/or documentation.
In this example, the applicant needs to respond to an essay question and upload a current transcript to apply for the scholarship.

After completing all follow-up items for the scholarship, click the Submit Application button to submit your application. Proceed through all Follow-Up items for all scholarships listed.

You are all set! Your organization’s administrator will provide you further direction if it is needed.
