WINYAH RIVERS

A L L I A N C E

Lower Pee Dee Basin covers 11,700 square miles and includes the Waccamaw, Lumber, Little Pee Dee, Lower Pee Dee, Lynches, Black, and Sampit Rivers.

Winyah Bay is the third largest estuary on the eastern seaboard.

The mission of Winyah Rivers is to protect, preserve, monitor, and revitalize the lands and rivers of the greater Winyah Bay watershed.

2 states
4 counties
1,640 square miles

Fishable, Swimmable, Drinkable

What Do I Do?

Education

Community Engagement

Land Conservation

Advocacy

Water Quality Monitoring

Waccamaw Volunteer Water Quality Monitoring Program

9 teams

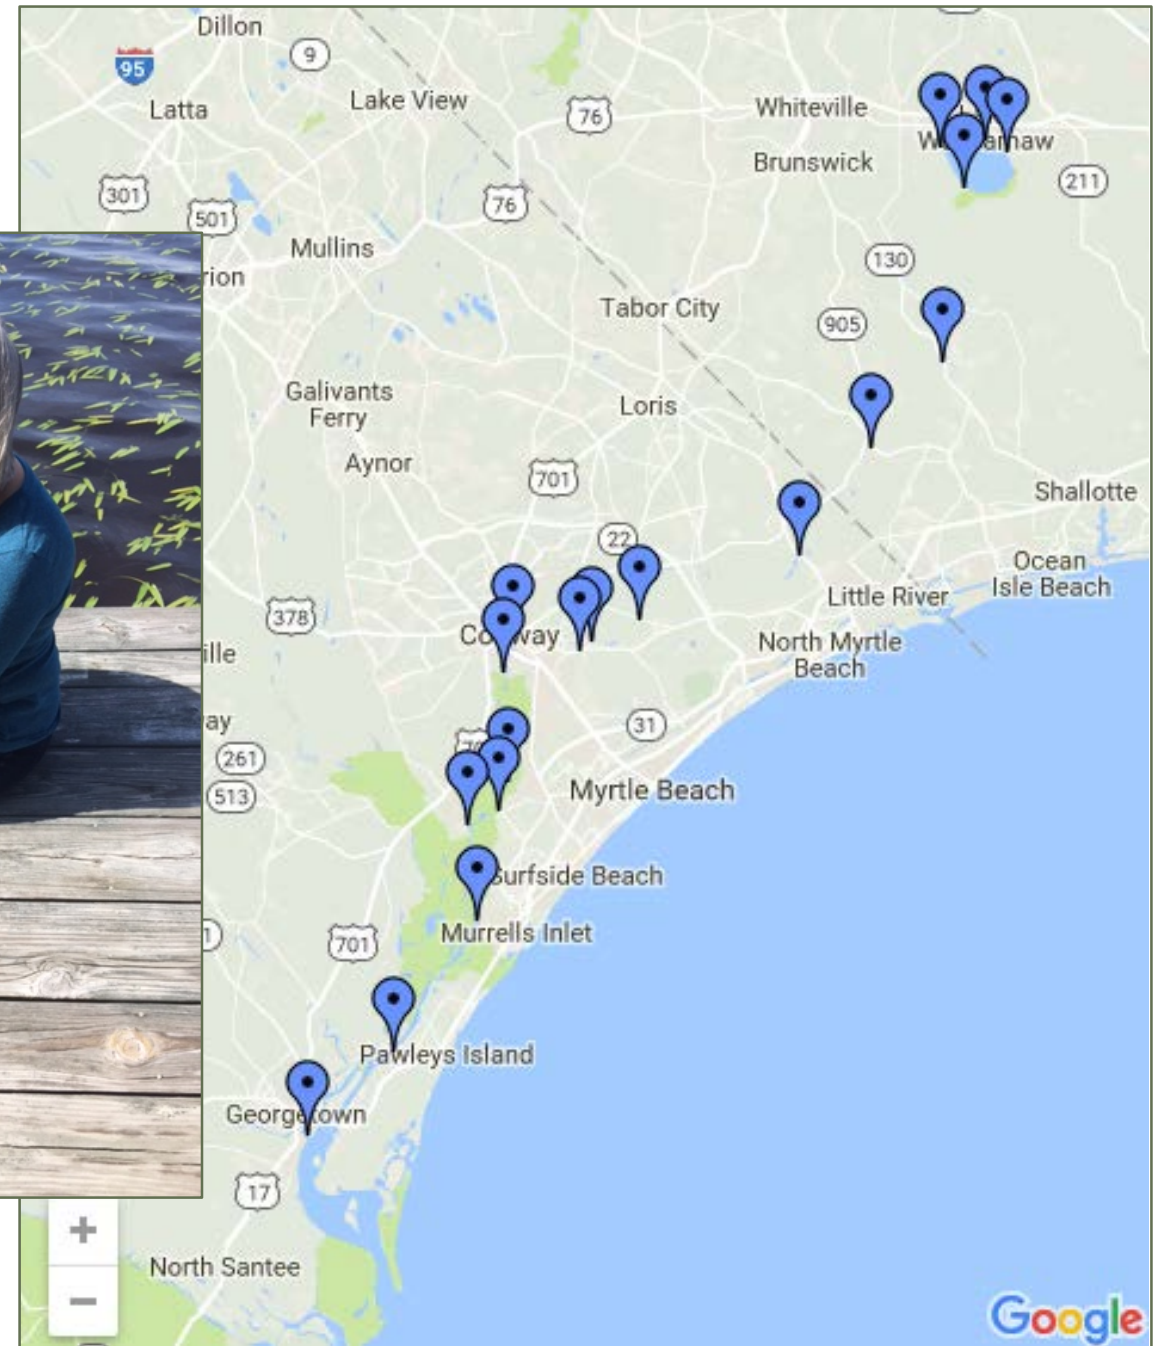

50 volunteers

18 sampling sites

23 sampling dates

400+ water samples

2,500+ volunteer hours

Who ya' gonna call?!?!

My meter won't read correctly in the field! Help!

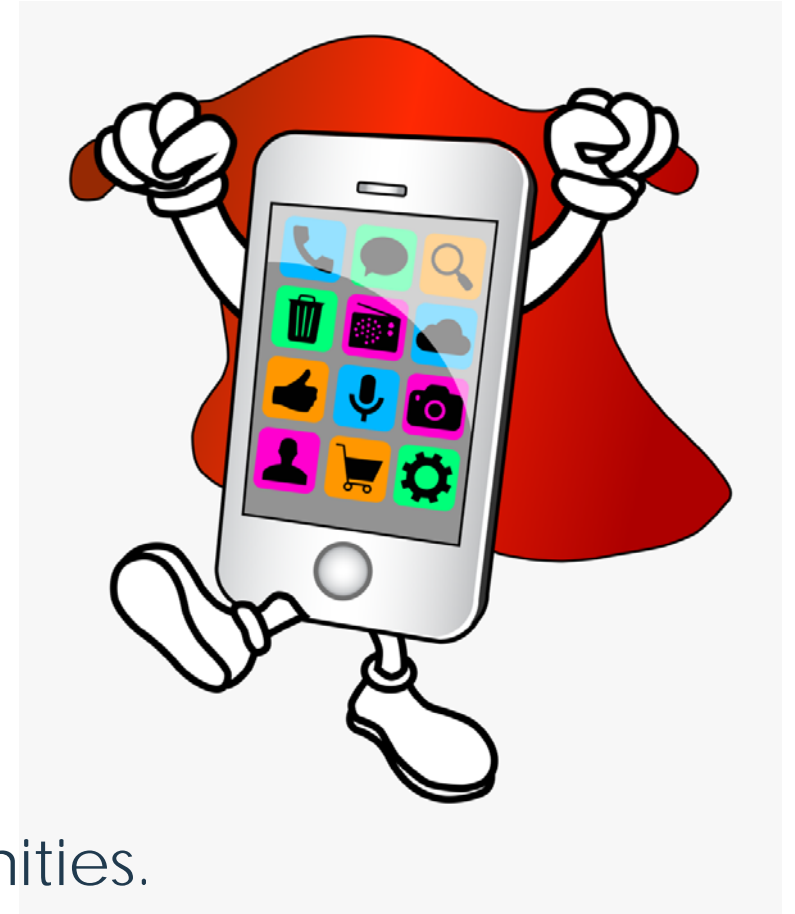

Y'all forgot my supplies! I need something!

I'm not going to be at sampling!

There is something REALLY WEIRD at my site...

The meter won't calibrate. What is wrong?!?

I am bored and need more volunteering opportunities.
